

## **JACQUELINE “JACKIE” LOPEZ, PRESIDENT**

Jackie Lopez is an innovative and results-driven information technology executive who is the President of Premier Enterprise Solutions, LLC (Premier). Premier specializes in cyber security, information technology and program management services. Premier supports the missions of the Department of Defense and Civilian departments such as the Air Force, Veterans Affairs, Health & Human Services, and Transportation to name a few. Premier is a Service-Disabled Veteran Owned and Woman-Owned Small Business participating in the SBA 8(a) development program. Jackie is a graduate of the University of Southern MS with a Bachelors of Science, Computer Technology. Post-graduate, she studied Business Administration at Embry Riddle Aeronautical University. As an Air Force veteran who honed her skills in enterprise information technology and acquisition, she is an accomplished leader with a proven record of success leading both public and private enterprises.

Jackie co-founded Premier in 2012 to provide exceptional mission critical support to Department of Defense and Federal civilian clients. Prior to founding Premier, Jackie helped grow another small business and eventually became President. Before entering the private sector Jackie served as the Director of Defense Department programs at the GSA Federal Systems and Integration Center (FEDSIM), where she oversaw the acquisition and management of large-scale enterprise information technology contracts. Jackie’s career in information technology began as an Air Force Officer where she was assigned numerous progressive assignments culminating in her last detail at the Pentagon as a Branch Chief overseeing the Air Force’s Top Secret combat operations center network.

Jackie is a 2020 graduate of the VA OSDBU’s Women Veteran Owned Small Business Initiative, and an American Council for Technology (ACT)- Industry Advisory Council (IAC) Fellow. Jackie is an active member of Women Impacting Public Policy (WIPP) and serves on the Advisory Board of the Women of Prince George’s (WPG). She is a notable graduate of both the Veterans Institute for Procurement (VIP) Grow and VIP Advance Programs and a graduate of the Small Business Administration Emerging Leaders Program. Additionally Premier Enterprise Solutions is a member company of the Association For Federal Information Resources Management (AFFIRM), Small and Emerging Contractor’s Advisory Forum (SECAF) and Professional Services Council (PSC).
